Dated this the 13th day of December, 2006.

ORDER

The review is filed for the reason that respondents are demanding interest for belated payment of welfare fund and collection charges thereon. So far as interest is concerned, since petitioner wants to contest the same, date of service of notice, the period of delay and the amount of interest payable should be communicated by the first respondent through a detailed order. The first respondent is directed to issue a detailed statement of liability towards interest showing the provision under which, the period for which and the rate at which interest is payable for the petitioner to contest it if he so desires. However, no collection charges should be recovered for payments voluntarily made by the petitioner if such payments are made atleast by the end of February, 2007. R.P. is disposed of with the above directions.
